WELCOME TO SUBODH GLOBAL SCHOOL

A landmark, Subodh Global School (SGS) is set up in the finest tradition of learning abodes. Located amidst in natural surroundings, slightly away from the hustle and bustle of the city, it provides a serene learning environment. The school is surrounded by open fields on all sides and is easily accessible from Ajmer highway, by a distance of few meters.

The school building features contemporary architecture set in a sprawling 12 acre campus. The design philosophy is to provide appropriate spaces for exciting learning and adequate interaction among school community. The co-educational school provides a blend of the best in National and International Curriculum aligned with current understanding of learning and teaching. The school presently admits students from Kindergarten to Grade 8.

The school's CRECHE & DAY BOARDING facility gives an extra edge to students keen on developing personality and skills beyond academics with expert coaches, modern play fields and vast open spaces. Additionally well stocked school cafeteria with a variety of vegetarian meals. To support the students' commutes, we offer various transportation options covering various routes.

THE HOUSE SYSTEM

‘FORGE YOUR PATH, GRACEFULLY PREVAIL’

The House system at Subodh Global School is uniquely inspired by the Elements of Nature, with each house embodying the distinct characteristics associated with its element. This innovative approach aims to cultivate loyalty, team spirit, and healthy competition among students. By providing a sense of identity and pride, the House system fosters a supportive and secure environment where students can thrive. Through a variety of sporting, scholastic, and co-scholastic activities, houses engage in friendly competition, promoting collaboration and camaraderie. This platform not only enhances school life but also strengthens the bond between students and teachers, encouraging mentorship and guidance. Additionally, the House system helps students explore and appreciate different aspects of their personalities, while recognizing the diverse strengths of their peers. By participating in house activities, students develop essential life skills, including teamwork, leadership, and resilience. Ultimately, this system enriches the educational experience, making it more engaging and empowering, while preparing students for future challenges in a dynamic and interconnected world.

CURRICULUM FRAMEWORK

**‘Educating
students for
success in a
changing world’**

We at Subodh Global School believe that education for tomorrow must hone the learner’s ability to become a co-creator of knowledge rather than being just a passive receiver. We assist the students to becoming lifelong learners, one who carries the acumen and desire to learn, unlearn and re-learn at all spectrums of life. We strive to create global productive citizens empowered with higher-order thinking, reasoning and problem solving skills who are emotionally equipped and carry the ability to seamlessly adapt to disruptive change and become positive contributors to the world around them. At SGS we are proud to offer a unique blend of the International and National curricula.

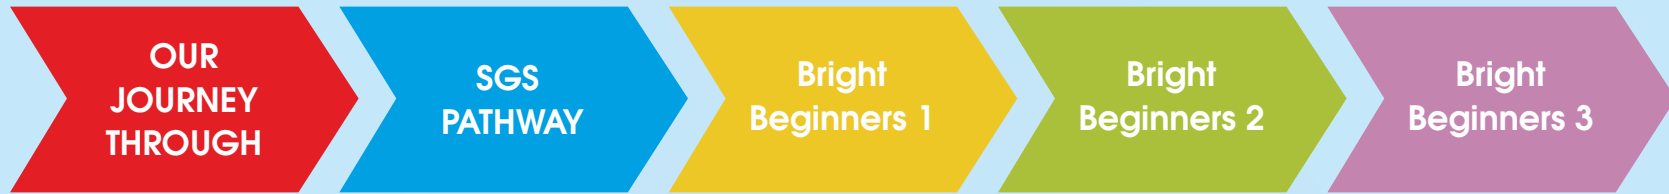

Join us at SGS to empower your child with the best of both worlds!

Experience an education that not only meets academic standards but also inspires a love for learning and a commitment to making a difference.
